President's Message

And again another month has gone by with board elections upcoming. We are repeatedly facing the challenge of not having a quorum at our membership meetings which prevents votes on important issues and our ability to move forward. Everything. As pointed out by members before, Friday nights are just not working out well for many of us. (This also includes me as I was out of town business the past two meetings). Some of you have other obligations, others simply don't want to or can't drive at night anymore. We need to put all effort into changing our by-laws to move our membership meetings to Sundays. I would also recommend to only have 4 to 6 official membership meetings per year.

Membership Meeting on April 3rd

This month's membership meeting is the last meeting before elections in May. There will be nominations from the floor for the open office positions and discussion of proposed amendments. The meeting is at 8:00 p.m. with doors opening at 7:30 p.m.

GASC 66th Anniversary Celebration

A big thank you to those of you who came out to the 66th Anniversary of the GASC on Sunday, March 15. Members were treated to an all you can eat meal for only \$5.00 and of course, cake. A great time was had by all. With continued support by the membership, we can continue to have such gatherings. A big thank you goes out to all who volunteered their time in organizing and working at the celebration.

Membership Donations - Help Wanted!

Thank you to those below who have made a donation since Jan. 1st. Gary Malfeld, Ingeborg Kopp, George Brown, James and Charlotte Colson, Peter and Donna Forster, Carolyn Johnson

Where are you?

Every meeting or event there are members who ask "where is...?" wondering the whereabouts of various officers or board members who may not be present. We are all volunteers and though you may not see every single one of us at every single event, does not mean that we are not doing things for the club. The fact is almost all of us have full time jobs and families which require us to be in other places. Last month we published a challenge requesting members to volunteer. Not one member responded with an offer to volunteer.

Members who have moved

Have you been in recent contact with the following members? We are trying to find out their current email addresses, telephone numbers, and or addresses to update our files. If you can help us, please email Linda Obermeier at lindaobermeiergermanclub@gmail.com or call at 305-271-3471. Thank you in advance.

Proposed change to eliminate initiation fee for new members

In January 2015, the Board of Directors notified the membership of its proposal to eliminate the \$10.00 new membership initiation fee. With regard to eliminating the \$10.00 initiation fee there is no change to the by-laws. The Board of Directors is proposing to reduce the \$10.00 initiation fee to zero with the approval of the membership until such time as the Board of Directors seeks to re-impose a membership fee with the consent of the members. The vote of members on the Board proposal shall take place at the April 2015 monthly member business meeting.

Article XI - Membership Fees

The Membership shall be notified in the newsletter at least 60 days in advance of any proposed change and a notice shall be posted in the Clubhouse.
