Since then she has served our Club as a volunteer. Elected Treasurer for several terms, Maria continues to be one of the pillars of the GASC. Her presence and work at Oktoberfest has been crucial for its success, as it has also been for the Club's operation. She is willing to serve one more term, and then retire to enjoy the Club from a different perspective.

My ethnic background is German and Swiss. I enjoy the excitement of working at Maibaumfest and Oktoberfest each year. I also enjoy bowling, gardening, reading, and baking.

If elected, I will do my best to serve, for the good of the club and its members. Thank you.

Elaine Walters

Born in Detroit Michigan, Elaine Walter grew up in rural Western Pennsylvania with her Parents and older brother and sister. Her parents instilled in her a solid work ethic: chores come before fun, and she operates on that premise to this day. Elaine graduated from Purdue University with a B.S. degree in restaurant, hotel & institutional management and managed restaurants in Pennsylvania in the early 1990's. She then continued her education and received M.A. degree in counseling and educational psychology from Slippery Rock University and was a university administrator for seven years through the 1990's and 2000's. Wanting to do more with her career, she decided to attend law school, and moved to Miami to attend the University of Miami School of Law. Elaine graduated magna cum laude in 2004 and started her legal career at the Florida Supreme Court. She currently practices as a Florida Bar Board Certified Appellate Lawyer at a mid-sized firm in Coral Gables. Elaine is active in the Dade County Bar Association and The Florida Bar, helping to provide educational programming to lawyers in Miami-Dade County and across the state. She has volunteered at almost every event at the GASC for the past two years, helping wherever needed. She hopes to continue doing whatever this club needs, in whatever capacity needed.
