Liebe Mitglieder:

As I mentioned after I was sworn in, it is a great honor for me to serve as your President. I am hopeful and optimistic that – together – we can reinvigorate the Club and make the most of this wonderful property that past and present Club members have given us.

I am aware that many of you do not know me. I am the son of an American father and German mother. I grew up in Berlin, Germany, attended a German-American high-school and lived there until after graduation when I moved to the U.S. for college. I first moved to Miami in 2008, attended the University of Miami and, with a two year interruption, have lived here since that time. As my day job I practice law at a law firm in Coral Gables. My introduction to the Club was through the “Sonntagskick,” where in the past years I have gone from an abysmal to a subpar soccer player. But it’s all about trying right?

I want to take this opportunity to thank all of our volunteers and performers for putting on a very successful Maibaumfest this last weekend. A special thanks to our new First Vice President, Neil Jones, for quarterbacking the event and pretty much running the show. I hope we will have many more events in the coming months and years.

The Club faces many challenges and it is not just a cliché when I say that I cannot lead the Club into a brighter future by myself. I will need your help, as will the rest of the Officers and Directors. I hope that all of you will take or continue to take an active role in the Club going forward.

Finally, if we have not met, please do come up to me and introduce yourself at one of our Wednesday social nights. Let’s do this, together!

Jan Timothy Williams
President
