My name is Betty Frankhouser. I moved to Miami in 1986 from Iowa. I retired from nursing in 2014. I joined the club in 2009 or 2010. I am active in helping with Oktoberfest every year. I have been a Trustee several times and have been assisting the current Treasurer for the past few years. I look forward to continue working for the club.

I'm an experienced entrepreneur, with work experience in management, accounting, and customer service, as I have worked in a number of fields including import-export, real estate, and logistics. I've managed office staff of 20, and regularly use accounting programs such as quick books (most of my jobs have required significant amounts of record keeping) and am familiar with all MSOffice Suite applications. I speak three languages and have been a Florida notary since 1998. Although I attended the Universidad Nacional de Ingeniería in Peru, I didn't graduate because I moved to the US. I have been a member of the GASC for several years and look forward to helping the club as treasurer.
